

Project Overview

As of May 6, 2013

18th Street Improvements

Description and Benefits: Reconstruction of 18th Street from Livingston Avenue north to just south of Mooberry Street intersection to create center turn lanes. Project includes undergrounding of utilities, street lights, and ADA ramps.

Status:

In design.

Schedule:

Design began in March 2012 and will be completed in fall 2013. Right-of-way acquisition will begin December 2012 and be completed in summer 2013. Construction is tentatively scheduled for spring 2014 to fall 2015.

Costs:

Construction \$2.5 million (estimate)
